

Ingredients

Purified water, Proprietary Lactic acid cultures & Molasses

Directions for Use: Shake well prior to use
Crop Watering Systems, Drip Irrigation & Sprinkler Systems:

Add 2 to 6 quarts per acre of irrigation system. Add product at end of irrigation cycle. Repeat application every 7 to 10 days or until irrigation system performance is at peak. Multiple applications may be necessary to fully reduce buildup in lines.

Green House and Small Scale Drip Irrigation Systems:

Add 1 ounce per 50 feet of drip or sprinkler irrigation line. May be added through fertilizer port or reservoir. Add product at end of irrigation cycle allowing product to stay in line until next irrigation cycle. Repeat application every 7 to 10 days or until irrigation system performance is at peak. Multiple applications may be necessary to fully reduce buildup in lines.

Crop Watering Tanks and Reservoirs:

Add 1 ounce per gallon allowing to mix well prior to irrigating. Repeat application every 7 to 10 days or until irrigation system performance is at peak. Multiple applications may be necessary to fully reduce buildup in lines.

May be adding with fertilizers, please conduct a jar test prior to mixing with other chemicals.

HydroBiotics

All Natural Environmentally Safe Irrigation Line Cleaner Concentrate

Use SNS HydroBiotics™ to reduce organic deposits, films and dirt from limiting performance of sprinkler systems, nozzles, drip lines, drip emitters, tank lines and reservoirs.

1 GALLON (3.79L) 2.5 GALLONS (9.47L) 5 GALLONS (18.9L) 50 GALLONS (189L) 250 GALLONS (945L)

Caution, Keep Out of Reach of Children
 Caution, Eye Protection and Gloves

First Aid

Not intended for human consumption. As with any probiotics, avoid contact with eyes and skin.

If in eyes, flush eyes with water for a minimum of 15-20 minutes.

If on skin, wash skin with soap and water. If irritation persists contact a physician.

Storage and Disposal

Store in a cool, dry area away from heat or open flame.

Do not reuse container. Dispose in trash or offer for recycling if available.
