

**Ingredients**

<b>Active Ingredients</b> .....	1.00%
Peppermint.....	1.00%
Inert Ingredients.....	.99.00%
Water, Soap, Polyglyceryl oleate, Lauric acid, Sodium stearate	
Total.....	100.00%

**How it Works**  
 SNS-PC Natural anionic surfactant and detergent properties disrupt the insect cell structure and respiratory membranes causing the insect to dehydrate, suffocate and die. Control of the insect is due to a natural barrier that causes surface tension changes (feels unpleasant when they walk on it) for up to 3-7 days then naturally breaks down. SNS-PC™ kills eggs and larvae by coating them with a shield which causes dehydration and prevents respiration. Therefore no hatching will occur, they will just dry out.

**Directions for Use:** *Shake Well Before Use*  
**Foliar Spray - Plant Site Use For All Plants**  
 (Leaves "Foliage", Stems, Stalk, Fruit and around Flowers), **Coverage** = 1 gallon of mixed solution will cover approximately 550 square feet. No restricted entry interval (REI)=0.

Depending upon severity of infestation several applications may be required. If needed spray every 3-5 days until you have control of the problem.  
**(Plants)** Spray until wet, complete coverage of all plant tissue or surface area is necessary for control. Make sure to spray under the leaves and in corners where insects hide and lay their eggs. To reduce the chance of burning do not use under direct sunlight or grow lamps. Use on a 7-14 day schedule as preventative maintenance. May be used up to the day prior to harvest

**(Around Home)** Spray around windows, doors, cracks and crevices. Spray until wet. Allow to dry to form protective barrier.

PC**

# SIERRA NATURAL SCIENCE INSECTICIDE For Home & Garden

**READY TO USE**

**FOR CROPS, GARDENS, FLOWER BEDS,  
 GREENHOUSE AND IN AND AROUND HOMES**

**Caution**  
 Keep Out of Reach of Children  
**1 GALLON (3.79L) 128 FL. OZ.**

This product has not been registered by the United States Environmental Protection Agency. Sierra Natural Science represents that this product qualifies for exemption from registration under the Federal Insecticide Fungicide, and Rodenticide Act. FIFRA 25(b)

**Precautionary Statements:** Causes Serious Eye Irritation. Use Eye Protection, Chemical Rated Gloves & Long Sleeve Shirt. Not intended for human consumption. Avoid contact with eyes and skin. Thoroughly wash all food areas and food materials contacted with soap and water. Do not use near heat or open flame. Store in cool location out of direct sunlight. Do not freeze.

**First Aid:**  
 If in eyes, flush eyes with water for a minimum of 15-20 minutes. If on skin, wash skin with soap and water. If irritation persists contact a physician. Have the product container or label with you when calling a poison control center or doctor, or going in for treatment. Poison control center hotline 1-800-222-1222 if over exposure occurs.

**Storage and Disposal:**  
 Store in a cool, dry area away from heat or open flame. Do not reuse container. Dispose in trash or offer for recycling if available.
