

SNS Garden Solution Kiosk Program

ALL NATURAL & ORGANIC GARDEN SOLUTIONS

INTRODUCTION

Introducing the world's first gardening Kiosk. SNS easy-to-use concentrated ready-to-mix pouches solve nearly all common gardening issues. They'll help your customers with pests, diseases, or weed control.

The \$7.99 impulse buy price point will "hook" the customer. When they experience how effective the products are, they'll come back to buy more pouches or larger sizes. Each formula is highly effective and has been on the market for over 10 years. They're all made from all natural and organic ingredients.

WHAT YOU GET

A new, inexpensive and simple way to help your customers. A better way to sell gardening products to your customers. Amazing products that work well and save the environment.

OUR GOAL

We'd like to supply and support your store with the tools and options to increase your revenue. We want to help make it easier for your team to help customers find the right product for their needs.

We're certain you'll love our products, and so will your customers. 10 years of sales data shows that when we introduce our products, 92% of stores and growers order more products. We'd like to partner with you to mutually increase revenue.

HOW IT WORKS

1. Pay a Fully Refundable* Deposit of \$300
2. Sell all the pouches for \$7.99 each (a \$319 value)
3. Reorder as needed

*If you don't like the program for any reason within 30 days, return the Kiosk in good condition. We'll refund your \$300 deposit in full. After 30 days, the Kiosk becomes store property. We'll replenish the pouches as needed within 3 - 5 days.

WHAT'S INCLUDED

1. Fully loaded kiosk with 40 pouches valued at \$319.
2. Store clerk sales cheat sheet. No chemistry experience or memorization necessary.
3. Easy reordering form & set up. Order online or by phone (831) 757-1702.
4. Free customer support monday - friday 9 am - 5 pm.
5. Pricing for all other sizes of the sns product line.
