

INGREDIENTS

Active Ingredients

Citric Acid.....7.50%

Inert Ingredients.....92.50%

Water, Vitamin C (L-Ascorbic Acid), Sodium Sulfate, Potassium Sorbate, Soapbark (Quillaja Saponin)

Total.....100.00%

HOW IT WORKS

The water soluble formula of SNS DC+AG™ displaces salts and sequesters metals that the microbes depend on to colonize. The permeability of SNS DC+AG™ causes penetration of the microbial cell wall providing preservatives and inhibitors to work on the microbes.

DIRECTIONS FOR MIXING

SHAKE WELL BEFORE MIXING

Apply 0.5 to 1.5 ounces per gallon for foliar spray applications.

Coverage Bedded & Agriculture Field Plants = 1-2 gallons of mixed diluted solution will cover approximately 1000 square feet dependent on sprayer droplet size requirements. No restricted entry interval (REI)=0 days.

Generally apply 2 quarts of SNS DC+AG™ per acre in rotation with other fungicides.

Or apply SNS DC+AG™ at 1 quart per acre in a tank mix with another labeled fungicide. Do not exceed a SNS DC+AG™ spray concentration of 1% v/v.

Begin applying SNS DC+AG™ prior to visible disease symptoms or when disease is first noted Repeat applications at 7-10 day intervals with shorter intervals under higher pressure situations.

Jar test is required prior to tank mixing SNS DC+AG™ with other fungicides and pesticides.

DISEASE & FUNGAL CONTROL PLUS

CONTROLS POWDERY MILDEW, DOWNY MILDEW, BLIGHT, RUST, BACTERIAL LEAF SPOT, & BOTRYTIS

For Agricultural Crops, Bedded Plants, Turf & Agriculture Fields, Row Crops Chemigation, Citrus Fields, & Orchards

This product has not been registered by the United States Environmental Protection Agency. Sierra Natural Science represents that this product qualifies for exemption from registration under the Federal Insecticide Fungicide, and Rodenticide Act. FIFRA 25(b)

PRECAUTIONARY STATEMENT

Use Eye Protection, Chemical Rated Gloves & Long Sleeve Shirt. Not intended for human consumption. Avoid contact with eyes and skin. Thoroughly wash all food areas and food materials contacted with soap and water. Do not use near heat or open flame. Store in cool location out of direct sunlight. Do not freeze.

FIRST AID

If in eyes, flush eyes with water for a minimum of 15-20 minutes. If on skin, wash skin with soap and water. If irritation persists contact a physician. Have the product container or label with you when calling a poison control center or doctor, or going in for treatment. Call poison control center hotline 1-800-222-1222 if over exposure occurs.

STORAGE AND DISPOSAL

Store in a cool, dry area away from heat or open flame. Do not reuse container. Dispose in trash

WARRANTY AND DISCLAIMER

Visit sierranaturalscience.com/warranty or offer for recycling if available.
