

INGREDIENTS

Active Ingredients

Thyme Oil	0.59%
Rosemary Oil	0.26%
Clove Oil	0.05%

Inert Ingredients.....99.10%

Water, Polyglyceryl Oleate & Soapbark
(Quillaja Saponin)

Total.....100.00%

HOW IT WORKS

As a topical spray SNS 244™ Fungicide kills the fungus through a biochemical interaction on the spores. Some of the components of SNS 244™ Fungicide are also absorbed systemically by the plant, suppressing the life cycle of the fungal spores and nurturing the plant cells to increase the plant's ability to fight and prevent the disease.

DIRECTIONS

SHAKE WELL BEFORE USE

Foliar Spray - Plant Site Use For All Plants

(Leaves "Foliage," Stems, Stalk, Fruit and around Flowers), **Coverage** = 1 gallon solution will cover approximately 550 square feet. No restricted entry interval (REI)=0 days.

Water infected plants well before spraying SNS 244™. Spray at night or when the lights are off and the plants are completely cooled down. Spray directly onto infected areas until thoroughly covered.

Depending upon severity of infestation several applications may be required. For heavy infestations spray every other day until you have control of the problem. Use on a 7-14 day schedule as preventative maintenance.

SNS **244**™

FUNGICIDE

CONTROLS FUNGI, MOLDS & MILDEWS

Use in Herb, Vegetable, & Flower Gardens,
Greenhouses & Hydroponics

READY TO USE

CAUTION: KEEP OUT OF REACH OF CHILDREN

1 QUART (946ML) 32 FL.OZ.

This product has not been registered by the United States Environmental Protection Agency. Sierra Natural Science represents that this product qualifies for exemption from registration under the Federal Insecticide Fungicide, and Rodenticide Act. FIFRA 25(b)

PRECAUTIONARY STATEMENT

Use Eye Protection, Chemical Rated Gloves & Long Sleeve Shirt. Not intended for human consumption. Avoid contact with eyes and skin. Thoroughly wash all food areas and food materials contacted with soap and water. Do not use near heat or open flame. Store in cool location out of direct sunlight. Do not freeze.

FIRST AID

If in eyes, flush eyes with water for a minimum of 15-20 minutes. If on skin, wash skin with soap and water. If irritation persists contact a physician. Have the product container or label with you when calling a poison control center or doctor, or going in for treatment. Call poison control center hotline 1-800-222-1222 if over exposure occurs.

STORAGE AND DISPOSAL

Store in a cool, dry area away from heat or open flame. Do not reuse container. Dispose in trash or offer for recycling if available.
