

## INGREDIENTS

Purified water, Proprietary Lactic acid cultures & Molasses

## DIRECTIONS

### SHAKE WELL BEFORE USE

#### Crop Watering Systems, Drip Irrigation & Sprinkler Systems:

Add 2 to 6 quarts per acre of irrigation system. Add product at end of irrigation cycle. Repeat application every 7 to 10 days or until irrigation system performance is at peak. Multiple applications may be necessary to fully reduce buildup in lines.

#### Green House and Small Scale Drip Irrigation Systems:

Add 1 ounce per 50 feet of drip or sprinkler irrigation line. May be added through fertilizer port or reservoir. Add product at end of irrigation cycle allowing product to stay in line until next irrigation cycle. Repeat application every 7 to 10 days or until irrigation system performance is at peak. Multiple applications may be necessary to fully reduce buildup in lines.

#### Crop Watering Tanks and Reservoirs:

Add 1 ounce per gallon allowing to mix well prior to irrigating. Repeat application every 7 to 10 days or until irrigation system performance is at peak. Multiple applications may be necessary to fully reduce buildup in lines. May be adding with fertilizers, please conduct a jar test prior to mixing with other chemicals.

## IRRIGATION LINE CLEANER FOR ORGANIC GARDENING

**REDUCES ORGANIC DEPOSITS, FILMS AND DIRT IN DRIP LINES, EMITTERS, TANK LINES & RESERVOIRS**

**Use in Herb, Vegetable, & Flower Gardens, Greenhouses & Hydroponics**

**CONCENTRATE - 1 GALLON MAKES UP TO 128 GALLONS**

**CAUTION: KEEP OUT OF REACH OF CHILDREN**

1 GALLON (3.79L)    2.5 GALLONS (9.48L)    5 GALLONS (18.9L)    50 GALLONS (189L)    250 GALLONS (945L)

## PRECAUTIONARY STATEMENT

Use Eye Protection, Chemical Rated Gloves & Long Sleeve Shirt. Not intended for human consumption. Avoid contact with eyes and skin. Thoroughly wash all food areas and food materials contacted with soap and water. Do not use near heat or open flame. Store in cool location out of direct sunlight. Do not freeze.

## FIRST AID

If in eyes, flush eyes with water for a minimum of 15-20 minutes. If on skin, wash skin with soap and water. If irritation persists contact a physician. Have the product container or label with you when calling a poison control center or doctor, or going in for treatment. Call poison control center hotline 1-800-222-1222 if over exposure occurs.

## STORAGE AND DISPOSAL

Store in a cool, dry area away from heat or open flame. Do not reuse container. Dispose in trash or offer for recycling if available.
